ADPICS 2117 REQUEST TO CONTRACT FOR PERSONAL SERVICES
ADPICS 9212 RETURN NOTIFICATION MAILBOX

ADPICS 2117 Request to Contract for Personal Services documents were remaining in the ADPICS 9212 Return Notification Mailbox screen after the document had been resent through the approval path. After the ADPICS 2117 Request to Contract for Personal Services document was rejected, resubmitted through the approval path, rejected by a different approver, and then deleted on the ADPICS 2117 it was remaining in the ADPICS 9212 Return Notification Mailbox screen.

After the ADPICS 2117 Request to Contract for Personal Services document was deleted, the notepad and 'CS138ID' fields would remain on the ADPICS 2117 screen. When the deleted 'CS138ID' number was entered on the ADPICS 2117 screen, the notepad and 'CS138ID' fields would be recalled.

The software has been modified so the rejected documents will be removed from the 9212 Return Notification Mailbox when resubmitting through the approval paths.
